

RUBÉN SÁNCHEZ ÁLVAREZ

<JUNIOR FULL STACK WEB DEVELOPER>

EDUCATION

WEB DEVELOPMENT BOOTCAMP at Le Wagon in Madrid (October - December 2022).

MASTER IN MARKETING AND DIGITAL COMMUNICATION. IMF BUSINESS SCHOOL.
(JANUARY 2018).

BACHELOR'S DEGREE IN AUDIOVISUAL COMMUNICATION FROM UNIVERSIDAD
COMPLUTENSE DE MADRID(UCM) (CLASS 2001 - 2006).

PROJECTS

FILMOTECA_HEROKU APP

Code Rabbits | Jan-April 2023

We met some of Lewagon's students. We made this web app starting from scratch.

<http://filmoteca.herokuapp.com>

Technologies used: React, Typescript, Ruby On Rails, PostgreSQL, SCSS, HTML.

SPORTSIN.ME

Le Wagon | Dec 2022

SportIn Deals can be easy. Athletes and Club Managers can find each other. A simpler way to post and find positions at sports.

www.sportsin.me

Technologies used: Ruby On Rails, PostgreSQL, JS, SCSS, HTML.

LES UNICORNS

Le Wagon | Dec 2022

Our very first web project coding as a team. A copy of Airbnb but for unicorns rentals.

Have a look: <https://troopl.com/sanchezalvarezruben/les-unicorns>

Technologies used: Ruby On Rails, PostgreSQL, JS, SCSS, HTML.

EXPERIENCE

EVENT MANAGER

Filmoteca Española | 2019-2022

Responsible for: Content control on the sales website, copy traffic for distributors, Doré cinema ticket sales report, management of events such as the Day of Spanish Cinema and silent film cycle musicians.

MARKETING

MyHostpitality.com | 2016 - 2017

Positioning SEO, SEM, Facebook ads, community management (Hootsuite), Google analytics, Adwords and mass mailings (Mailchimp).

PROFILE

Extremely motivated web developer.

Any occasion is good for developing my knowledge, growing and feeling expanded. I like coding the web so being part of the Le Wagon as student led me to Understand the core concepts of object-oriented programming. Adopt the right technical workflow: design your wireframe & mockup, test your UX with a prototype. As you can check on my projects and my github.

Currently, learning JavaScript and React.

TECH SKILLS

HTML

CSS

Bootstrap

JavaScript

Ruby

Ruby On Rails

PostgreSQL

Problem solving

Creativity

Adaptability
